philosophy

Food is art, and chefs are artists.

“My approach to cooking is simple: I want to create unique and creative dishes and bespoke menus in a way that I feel will become a memorable part of an event. The three most important beliefs or principles I follow are discipline, focus, and vision.” – Executive Chef Kiran Ghate (Chef KG)

At the helm of Ember & Vine, Chef KG leads a new generation of culinary professionals redefining modern Australian dining in Adelaide.
